

The use of INSPECTMATE (hereinafter referred to as “this software”) is subject to the terms outlined in this software licence agreement (hereinafter referred to as “this agreement”) and to the customer's consent to this agreement. The customer's use or duplication of this software, in whole or in part, constitutes the customer's consent to enter into this agreement.

1 Usage Rights

1. Contingent of the customer's compliance with the terms of this agreement, SENSORMATE extends to the customer non-exclusive usage rights.
2. The customer may install this software on an unlimited number of computers, provided that the software is only installed in the corporation that purchased the product.

2 Prohibitions

The customer is prohibited from doing the following with this software.

1. Additions or changes to any or all of the functions of this software, except for installation of updates or new features provided by SENSORMATE.
2. Reverse compiling or reverse assembling of this software for the purposes of reverse engineering.

3 Copyright

The copyrights of this software and all associated documentation remain at all times the property of SENSORMATE.

4 Exemption of Liability

SENSORMATE shall not be held liable by the user or third party for any damages arising from the use of the software.

5 Support

Based on this agreement, SENSORMATE agrees to provide the customer with technical support in response to customer questions regarding this software. However, SENSORMATE makes no guarantee that the technical support offered will meet the customer's needs.

6 Termination of Agreement

1. Should the customer destroy this software and any backup copies, this agreement will automatically expire with the customer's cessation of use of this software.
2. SENSORMATE reserves the right to unilaterally terminate this agreement should the customer violate any of the terms of this agreement. In this instance, the customer has to destroy this software and all copies immediately.
3. Should SENSORMATE be caused damages by the customer's violation of this agreement, the customer will compensate SENSORMATE for those damages.
