To whom this may concern,

Declaration of Compliance for Lithium-Ion Batteries in SERIES QE2008-W

We hereby declare that the **SERIES QE2008-W** product contains lithium-ion batteries and complies with **Section II of PI 967 or PI 966**. These batteries meet the following conditions:

- Each cell does not exceed **20 Wh**, and each battery does not exceed **100 Wh**.
- Batteries are tested per **UN 38.3** safety standards.
- Packaging ensures protection against short circuits and accidental activation.
- No Class 9 label is required if Section II limits are met.

Shipment shall be in full compliance with **ADR, IMDG, and ICAO** regulations.

This declaration is valid for product series QE2008-W

QE2008-W-XX-XXX

XX-XXX – non-technical relevant product identification

Regards,

Andreas De Fazio
General manager
