

Connection Socket (909715)

- For thermocouples and RTD temperature probes
- With two, four, or six connections
- With screwed or soldered connections

Order details

(1) Terminal socket part number	
00014391	Terminal socket for terminal heads Form A (with screws and seal), 2 connections base metal for thermocouples
00015888	Terminal socket for terminal heads Form B, BBK, BUZ, 2 connections for RTD temperature probes
00015899	Terminal socket for terminal heads Form B, BBK, BUZ, 2 connections for thermocouples
00015900	Terminal socket for terminal heads Form B, BBK, BUZ, 4 connections for RTD temperature probes
00015901	Terminal socket for terminal heads Form B, BBK, BUZ, 6 connections for thermocouples
00017043	Terminal socket for terminal heads Form A (with screws and seal), 4 connections base metal for thermocouples
00020749	Terminal socket for terminal heads Form A (with screws and seal), 4 connections noble metal for thermocouples
00021673	Terminal socket for terminal heads Form B, BBK, BUZ, 4 connections for thermocouples
00047370	Terminal socket for terminal heads Form B, BBK, BUZ, 6 connections for RTD temperature probes
00470578	Terminal socket for terminal heads Form J (type of fastening: engaging), 4 connections for thermocouples/RTD temp. probes
00470579	Terminal socket for terminal heads Form J (type of fastening: engaging), 2 connections for thermocouples/RTD temp. probes
