

Thermocouples for DIN EN 14597 Tested Devices and Plants (901006)

- For heat conducting systems according to DIN 4754
- For temperatures up to 1500 °C
- Available as single or double thermocouples
- For operating media water, oil, or air
- For tested control and limitation devices

Order details

(1) Part number	
00055914	901006/65-547-2043-15-500-668/000 / Push-in thermocouple with movable flange and terminal head form B
00055915	901006/65-547-2043-15-710-668/000 / Push-in thermocouple with movable flange and terminal head form B
00055916	901006/65-547-2043-15-1000-668/000 / Push-in thermocouple with movable flange and terminal head form B
00055917	901006/54-544-2043-15-710-254/000 / Screw-in thermocouple with compression fitting and terminal head form B
00058939	901006/66-880-1044-6-250-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058940	901006/66-880-1044-6-355-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058941	901006/66-880-1044-6-500-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058943	901006/66-880-1044-6-250-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058944	901006/66-880-1044-6-355-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058945	901006/66-880-1044-6-500-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058954	901006/66-953-1046-6-250-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058955	901006/66-953-1046-6-355-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058956	901006/66-953-1046-6-500-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058958	901006/66-953-1046-6-250-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058959	901006/66-953-1046-6-355-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00058960	901006/66-953-1046-6-500-668/000 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00060754	901006/54-544-2042-15-710-254/000 / Screw-in thermocouple with compression fitting and terminal head form B
00060755	901006/65-546-2042-15-500-668/000 / Push-in thermocouple with movable flange and terminal head form B
00060756	901006/65-546-2042-15-710-668/000 / Push-in thermocouple with movable flange and terminal head form B
00060757	901006/65-546-2042-15-1000-668/000 / Push-in thermocouple with movable flange and terminal head form B
00061027	901006/54-544-1043-15-710-254/000 / Screw-in thermocouple with compression fitting and terminal head form B
00061029	901006/54-544-1042-15-710-254/000 / Screw-in thermocouple with compression fitting and terminal head form B
00061559	901006/66-550-2043-6-500-668/000 / Push-in thermocouple with movable flange and terminal head form B
00063774	901006/53-543-1042-12-220-815/000 / Screw-in thermocouple with welding sleeve and terminal head form B
00080414	901006/53-543-2042-12-220-815/000 / Screw-in thermocouple with welding sleeve and terminal head form B
00085195	901006/66-550-2043-6-355-668/000 / Push-in thermocouple with movable flange and terminal head form B
00085196	901006/66-550-2043-6-250-668/000 / Push-in thermocouple with movable flange and terminal head form B
00430740	901006/45-551-2043-2-100-11-5000/000 / Push-in mineral-insulated thermocouple with compensating cable
00446509	901006/45-551-2043-2-200-11-2500/000 / Push-in mineral-insulated thermocouple with compensating cable
00461760	901006/45-551-2043-2-250-11-5000/000 / Push-in mineral-insulated thermocouple with compensating cable
00533739	901006/45-551-2043-2-1700-11-2500/000 / Push-in mineral-insulated thermocouple with compensating cable
00552237	901006/65-547-2043-15-500-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552238	901006/65-547-2043-15-710-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552239	901006/65-547-2043-15-1000-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552240	901006/65-546-2042-15-500-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552241	901006/65-546-2042-15-710-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552242	901006/65-546-2042-15-1000-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552243	901006/54-544-1042-15-710-254/922 / Screw-in thermocouple with compression fitting and terminal head form B
00552244	901006/66-880-1044-6-250-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552245	901006/66-880-1044-6-355-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552246	901006/66-880-1044-6-500-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552247	901006/66-880-1044-6-250-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552248	901006/66-880-1044-6-355-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552249	901006/66-880-1044-6-500-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552250	901006/54-544-2043-15-710-254/922 / Screw-in thermocouple with compression fitting and terminal head form B
00552251	901006/54-544-1043-15-710-254/922 / Screw-in thermocouple with compression fitting and terminal head form B

00552252	901006/54-544-2042-15-710-254/922 / Screw-in thermocouple with compression fitting and terminal head form B
00552253	901006/66-550-2043-6-500-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552254	901006/66-550-2043-6-355-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552255	901006/66-550-2043-6-250-668/922 / Push-in thermocouple with movable flange and terminal head form B
00552256	901006/66-953-1046-6-250-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552257	901006/66-953-1046-6-355-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552258	901006/66-953-1046-6-500-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552259	901006/66-953-2046-6-250-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552260	901006/66-953-2046-6-355-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552261	901006/66-953-2046-6-500-668/922 ¹ / Push-in thermocouple with movable flange and terminal head form B 15
00552262	901006/53-543-2042-12-220-815/922 / Screw-in thermocouple with welding sleeve and terminal head form B
00552263	901006/53-543-1042-12-220-815/922 / Screw-in thermocouple with welding sleeve and terminal head form B
00552265	901006/45-551-2043-2-100-11-5000/922 / Push-in mineral-insulated thermocouple with compensating cable
00552266	901006/45-551-2043-2-200-11-2500/922 / Push-in mineral-insulated thermocouple with compensating cable
00552267	901006/45-551-2043-2-250-11-5000/922 / Push-in mineral-insulated thermocouple with compensating cable
00552268	901006/45-551-2043-2-1700-11-2500/922 / Push-in mineral-insulated thermocouple with compensating cable
