# 1 Device - Revision Record - What is new?

## 1.1 Device Type ID: 02BC

### 1.1.1. Hardware

Released Revision	Released Date	Remarks
0000000031	-	First release

### 1.1.2. Software/Firmware

Released Revision	Released Date	Remarks
01.01.02	-	First release

### 1.1.3. Device

Released Revision	Released Date	Remarks
01	-	First release

### 1.1.4. Supported devices

FMT700-P and FMT200-ECO2

## 1.2 Cyber Security info

### 1.2.1. ABB recommendation

It is recommended to use at least an anti-malware solution wherever the product is deployed.

### 1.2.2. Disclaimer

This product is designed to be connected to and to communicate information and data via a network interface. It is user’s sole responsibility to provide and continuously ensure a secure connection between the product and user’s network or any other network (as the case may be). User shall establish and maintain any appropriate measures (such as but not limited to the installation of firewalls, application of authentication measures, encryption of data, installation of anti-virus programs, etc) to protect the product, the network, its system and the interface against any kind of security breaches, unauthorized access, interference, intrusion, leakage and/or theft of data or information. ABB Ltd and its affiliates are not liable for damages and/or losses related to such security breaches, any unauthorized access, interference, intrusion, leakage and/or theft of data or information.

## 2 FDI (Field Device Integration)

FDI Package (EDD based)

### 2.1 FDI Device Package Version record - What is new?

#### 2.1.1. Device Type ID: 02BC

Released Date	Package Version	EDD Released Version (Dev Rev)	Attachment (Revision)	UIP Released Version, Winx	UIP Changed UIP file count	Remarks (EDD. Attachment, UIP)
DEC 2025	01.01.00	NA	FMT710_family_256x256.png, OI_FMT700P_COMPACT_EN_D.pdf, OI_FMT200-ECO2_EN_I.pdf	None	No	First release

### 2.2 Supported Languages

The device package supports English

### 2.3 Requirements

FDI Technology Version 1.3.x

### 2.4 Remove / import and configuration

Start your FDI Host application and follow the instructions.

### 2.5 Update / Upgrade instructions

No

### 2.6 Known problems and limitations

None known
